

QUALITY ASSURANCE SURVEILLANCE PLAN (QASP)

The following schedule outlines the Government's plan for ensuring contract performance; including maximum deductions which may be taken should deficiencies be found for the noted services. The Government shall, at its option, require corrective action or take a deduction from the monthly invoice. The contractor will be notified of any discrepancies found, and shall have an opportunity to respond to the deficiencies. The Government has the right to inspect services at any time. Any random inspection shall take into consideration the normally scheduled times and frequencies required for service performance. The Contractor is entitled to a joint monthly inspection each month. The Contractor shall coordinate with the Contracting Officer's Representative (COR) when a joint inspection is needed. The COR also may initiate a joint inspection, which will be coordinated with the Contractor Quality Control Representative or his/her designee.

Upon request the COR is entitled to review the results of the contractor's quality control program and internal inspections.
